

Third Annual Outstanding Women Lawyers Roundtable June 6-7, 2014

You are invited to meet and brainstorm with successful US and Canadian lawyers. Participants will determine topics. Past topics included:

- Strengthsfinder 2.0
- Trends impacting women lawyers
- Leadership, building the team and partnering between outside counsel and inside counsel
- Staying connected: blogging and social media
- Take your career to the next level
- Getting Unstuck: moving from blaming, worrying or rescuing to action that will get you where you want to go
- Creating Relationships with New Clients and Expanding Internal and External Relationships
- Strategic Business Planning

Cordell Parvin shares 37 years of experience in building successful law practices, building enduring client relationships, and establishing a respected professional reputation. His passion is working with lawyers at every stage of their career to help them break out of their routine, actively pursue the most satisfying career, and increase their value to clients. Cordell coaches attorneys and conducts workshops around the country for law firms of every size.

Dr. Cindy Pladziewicz coaches, trains and advises lawyers on career and business issues. She is a licensed psychologist, attorney, and Professional Certified Coach. Her previous professional experience includes practicing as a Partner, and serving as Chief Development Officer, with the law firm of Thompson & Knight LLP, ten years in private practice as a psychologist at Baylor University Medical Center in Dallas, service on the board of a publically traded corporation and teaching as an adjunct professor at Southern Methodist University.
